The 62nd Indian Foundry Congress, which was organized by IIF concurrent to IFEX & Cast India Expo, was well attended by over 1400 delegates. Eminent speakers from across the globe shared their expertise and knowledge addressing the latest challenges being faced by the foundry industry.

Over 40 foundries from across India have exhibited in Cast India Expo 2014 displaying their capacities and capabilities to the casting buyers from across the Globe. The 'Cast Source Meet' organized by IIF as part of the 62nd Indian Foundry Congress has brought both casting buyers and sellers to the table to discuss the current and future requirements of the buyers.
