With the second consecutive landslide win for the ruling Government in the recently held Indian general election signals strong Indian GDP growth and continuity of macro-economic policies for the next 5 years. With stable Government at centre and a slew of Big Bang economic reforms that would please foreign investors are within the primary agenda for the Government with special focus on agriculture, food processing, cold chain and warehousing sectors. In continuation to the “Make in India” initiative, the Government objective is to reduce Agri & food wastage and doubling the Agri-income by 2022, thereby, making India a major hub for food processing and packaged food.

With immense business potential being offered by the processing and packaging sectors and with an objective to create best of the platforms to discuss and deliberate the latest technological developments for these two sectors, Koelnmesse YA Tradefair Pvt Ltd., an Indian subsidiary of Koelnmesse GmbH, Germany will be organising the 14th ANUTEK - International FoodTec India - International Supplier fair for Food and Drink Industry concurrent to PackEx India during September 13-15, 2019 at Hall No. 8, 9, 10, 11, 12 & 12A, Pragati Maidan, New Delhi. The exhibition is already sold out far in advance of the exhibition date. Leading machinery & technology suppliers to the food & beverage industry from India and worldwide have confirmed their participation in the exhibition. The exhibition is expected to have over 50% international participation and will be used as a launching pad to showcase the latest technological offerings to the Indian market.
